

In the HKICPA Qualification Program (QP) Case Analysis Competition 2015, a team of four first year Global Business students triumphed over almost 350 teams and won the top prize. Another HKUST team that consisted of three members, two of them are Professional Accounting students, also claimed the first runners-up spot.

The winners of the HKICPA QP Case Analysis Competition (from left): Julia Leung, Alan Lam, Tony Hui and Chevan Tin.

The team members of the first runners-up (from left):

Steven Yu, Joan Pan and Raghvendra Agarwal.
