

## **BBA-IS Program was chosen for the “2017 IT Governance Achievement Merit Award (Public Sector)”**

In view of the emerging importance of IT Governance that contribute to the success of most organizations nowadays, ISACA China Hong Kong Chapter has organized the first-ever IT Governance Achievement Awards in Hong Kong to foster the public awareness of IT Governance and to recognize the achievements of forerunning organizations in leading Hong Kong to be one of the world’s most reliable IT hubs.

The BBA-IS Program of the Department of ISOM has been chosen for the “Merit Award” for the 2017 IT Governance Achievement Awards (Public Sector). This award recognizes and honors a public sector organization with outstanding performance and achievements in IT Governance which has significantly contributed to the promotion and adoption of IT Governance practices in Hong Kong.

Prof. Percy Dias, UG Program Coordinator of BBA-IS, was invited to receive the award at the awards presentation ceremony held on 16 March 2017. Supporting organizations of the event include Office of the Government Chief Information Officer, Hong Kong Applied Science and Technology Research Institute Limited, Hong Kong Cyberport Management Company Limited and Hong Kong Science and Technology Parks Corporation.

The IS group has endeavoured to deliver professional and quality training in IT Governance and Auditing for more than 10 years. Since 2007, the BBA-IS program was aligned with the Information Systems Audit and Control Association (ISACA) Model Curriculum. It is the first program in Asia Pacific to have gained the ISACA Model Curriculum alignment.

Prof. Percy Dias, UG Program Coordinator of BBA-IS, received the award from Mr. Nicholas Yang, JP, Secretary for the Innovation and Technology.
