

BBA-IS student, Sharon Huang Zihang, has been selected to be one of the recipients of the 2014 Academic Achievement Medal—the highest academic honor bestowed by the University on outstanding undergraduate students upon graduation.

The Academic Achievement Medal was established in 1994 to recognize graduates whose outstanding academic achievements bring honor and distinction both to themselves and to the University. To qualify for the Medal, the graduate must achieve an average of A I all courses taken throughout the program of study, with no record of a failed course. Only the top 1% of graduates are awarded the Medal each year.
